# **AUCTION #144**

The information provided below complements the 'Conditions of Sale' from the next page

## **AUCTIONEERS**

The Auctioneers are Ken Pullen and Bruce Chadderton

## **MATERIAL**

This auction comprises boxed bulk material only

## **VIEWING**

Viewing of lots listed in the auction is available at 20 Egerton Street Silverwater:

10 am to 3 pm Saturday 23 November

10 am to 3 pm Saturday 30 November

10 am to 3 pm Wednesday 4 December

10 am to 8 pm Thursday 5 December

10 am to 3 pm Friday 6 December

8 am to 12.30 pm Saturday 7 December (for country and interstate bidders)

## **ROOM BIDDER REGISTRATION**

Registration of room bidders is from 11.30 am on Saturday 7 December at the auction venue

## **PAYMENT and COLLECTION OF MATERIAL**

**Payments and collection of lots are at our office at 20 Egerton Street Silverwater**

Our office is located 800 metres from the auction venue

Successful room bidders are expected to pay for and collect their lots on the day of the auction

Lots purchased can be collected from our office only on Saturdays or by alternative arrangement

All lots that comprise three or more boxes are to be collected from our office

Lots that cannot be collected by or on behalf of the purchaser are to be mailed to successful bidders when our volunteer staff are able to do so, and no timetable for consignment by post can be provided

## **ABSENTEE BIDDING**

An absentee bid form is enclosed and an interactive version is available on our website

Bidders are asked to submit bids only on these forms not by email or telephone

Bids received after 10 am on Saturday 7 December may not be accepted

## **START PRICES**

Estimates are in Australian dollars

The start price is 80% of the estimate unless pre-auction bids require otherwise

## **UNSOLD MATERIAL**

Unsold lots are available for eight weeks after the auction at 80% of the estimate

## **PRICE REALISATIONS**

Price realisations are available after the auction from our office and on our website

## **OUR NEXT AUCTION**

Auction #145 comprising quality single items, sets and collections is planned for mid-2025

This auction is to be offered in the room and 'live' online

Consignments for inclusion in this auction are welcome

# CONDITIONS OF SALE

## ACCEPTANCE OF THE CONDITIONS OF SALE

Placement of a bid in our auctions constitutes acceptance of all the conditions set out here.

## ESTIMATES / STARTING BIDS

The description of all lots is accompanied by our estimate of the likely price. This is merely an expression of the opinion of the auctioneer of the market value of the lot. Usually bidding opens at 80% of the estimate. Absentee bids lower than 80% of the estimate likely will be declined.

## VIEWING

You can view lots only at our office during the times set out in the catalogue or on our website.

## SCANS OF LOTS

Scans of lots or parts of lots that are not provided in the printed or online catalogue, may be emailed to you on request. You might be required to pay an administration fee.

## THE AUCTIONEER IS THE SOLE ARBITER

All lots are sold to the highest bidder at one advance increment over the second highest bid, subject to any reserve. The Auctioneer has discretion to settle any dispute. All decisions of the Auctioneer are final.

## HOW TO BID

You can bid by:

- attendance at the auction and bidding in person;
- 'live' by telephone through your agent during the auction by prior arrangement;
- 'live' online during the auction;
- completion of an absentee bid form returned to our office by the advertised due time/date;
- telephone prior to the start of the auction.

You may authorise our Auction Manager to act as your agent. The Auction Manager may delegate bidding to a member of our staff.

If you are bidding otherwise than in the room, you are to provide us with a postal address, a telephone contact and an email address. Credit card particulars also may be required.

'Either' or 'Or' bids may be accepted if they are within five lots of one another.

'Limit' bids may be accepted.

PHILAS accepts no responsibility for any errors or omissions.

## REFUSAL OF BIDS

The Auctioneer can refuse your bid.

'Buy' bids are not accepted.

## BIDDING INCREMENTS

Bids are accepted in Australian dollars in the following steps:

|                          |                               |                               |
|--------------------------|-------------------------------|-------------------------------|
| \$5 up to \$99           | \$10 from \$100 to \$199      | \$20 from \$200 to \$499      |
| \$50 from \$500 to \$999 | \$100 from \$1,000 to \$1,999 | \$200 from \$2,000 to \$3,999 |
| \$500 from \$4,000       |                               |                               |

Absentee bids that are 'out of step' are to be rounded down to the nearest increment.

## TITLE

If you purchase a lot:

- the risk passes to you at the fall of the hammer;
- title passes to you when you make full payment;
- if you bid in the auction room you are requested to pay for and collect your lot/s on the day of the auction; and
- if you bid by any other method, you are to pay the hammer price plus buyer's commission and postage and insurance within 14 days of your receipt of our invoice.

If you authorised an agent to bid on your behalf, the agent and you are liable jointly and severally for all fees and charges.

## **BUYER'S PREMIUM**

A premium of 10% of the successful bid is to be added to all invoices.

## **PAYMENT AND SHIPPING**

Invoices are provided during the auction to room bidders and sent as soon as possible after the auction to absentee bidders.

We make every effort to pack your lots securely. However, we cannot accept any liability for packing deficiencies. We will post your lots by registered mail or 'signature on delivery' mail.

## **UNSOLD LOTS**

These are available for sale up to eight weeks after the auction date at 80% of the estimate.

## **COLLECTION OF PURCHASES**

Room bidders are expected to pay for and collect their lots immediately after the auction.

If you want to collect your lots from us after the day of the auction, you are to arrange a time/day beforehand. We can guarantee to provide collection of material after the day of the auction only on Saturdays between 10 am and 3 pm.

## **UNPAID INVOICES**

Invoices are to be paid within 14 days of the auction. If they are not paid within that time:

- you may forfeit your purchase/s;
- we may sell the lots or place them into a later auction;
- we may seek reimbursement from you of any resultant deficit in price; and/or
- we may charge you interest (to recover any costs we incur) at the rate of 20% per annum.

## **RETURN OF LOTS AND THE RESPONSIBILITY OF THE BUYER**

If you:

- inspected a lot prior to acquiring it at the auction; or
- buy a bulk lot, a large collection or an accumulation, or a lot containing more than 20 items (an 'item' includes an individual stamp or a set of stamps);

you are deemed to acknowledge that you have bought the lot with all faults and errors, and you cannot under any circumstances return your lot or part of any lot.

If you immerse in water or similarly treat lots you have purchased, unless we agree beforehand, you cannot under any circumstances return your lot or part of any lot.

If a lot was not available for inspection by you prior to sale, you may return the lot if there are errors in its description, or if faults have not been described by us, up to seven days from your receipt of the material.

Requests to return items and to receive a refund of the price paid are to be in writing, setting out the grounds for the requested return.

## **EXTENSION OF TIME TO OBTAIN EXPERT AUTHENTICATION**

If you want to obtain the opinion of an expert in relation to the authenticity of any lot or part of any lot, before paying for it, you are to request us in writing prior to commencement of the auction, or advise the auctioneer at the time you successfully bid for the lot.

It is your responsibility to arrange for assessment by an expert as soon as possible. The lot is to remain with PHILAS, except by arrangement. We will provide it to the expert engaged by you.

It is expected that the outcome of any assessment be known within six weeks of the time of sale. Your request for an extension of time to pay for the lot might not be approved if the time required likely will exceed four weeks. Any approval for an extension of time for payment that has been given may be withdrawn if you are unable to obtain an assessment within six weeks of the date of the sale. We remind you that PHILAS is unable to pay the vendor pending the outcome of any assessment.

All costs incurred for expert assessment are your responsibility, except that if expert opinion suggests that an item is not genuine, PHILAS will reimburse you one-half of any fee you paid for the assessment.

## **APPLICABLE LAW**

These Conditions of Sale are governed by and are to be construed in accordance with the laws of the State of New South Wales. In the event of any dispute, you may commence an action only in a court in New South Wales.

## ACKNOWLEDGEMENT

The contribution of time and effort made by the following people, without whom this auction catalogue could not have been produced, is acknowledged:

Bruce Chadderton (Bathurst), Paul Chisholm (Smithfield), Ilana Cohen (PSA), Dee Collins (Parramatta), Dimity Fowler, Anne Garrick (Penrith), Sarah Harvey (Turramurra), Ted Hennebery (Turramurra), Michael Hirschhorn (Parramatta), Robert Layzell (Smithfield), John Michalski, Brian Moore (Parramatta), Peter Myers (Gosford), Barry Palmer (Newcastle), Ming Peng (Gosford), David Porter (Manly), Dennis Souter (Gosford), Chris van der Kley (Smithfield), Ray Woodbury (PHILAS Library) and Rolf Zerbes (Milton-Ulladulla).

## ARE YOU CONSIDERING SALE OF YOUR COLLECTION?

### ARE YOU THE ADMINISTRATOR OF A DECEASED ESTATE?

Our 'Advice for Vendors' is available from our office and is posted to our website

Vendors generally are paid within six weeks of the auction date

All material consigned to PHILAS is insured while in the possession of PHILAS

All net proceeds received by PHILAS are used to foster the hobby of philately in New South Wales

Auctions of fine and scarce material are to be offered within our general program of auctions

If you have outstanding items or collections which you may want to sell, and you want to discuss how best to go about it, please contact us to make an appointment with our Auction Manager:

[auction@philas.org.au](mailto:auction@philas.org.au)

We are unable to accept consignments of bulk material into the foreseeable future  
'Bulk' comprises material any value in which is attributable to its quantity rather than its quality

|-----|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| 150 | 1970-1990 used on paper (4 kgs) and 1984-1993 pre-stamped envelopes mostly cancelled on date of issue (400) with all-world off paper (½ kg) in one box.                                                                                                                                                                          | 60  |
| 151 | 1970-2015 used on and off paper with values to \$20, noted international denominations to \$7.40, many fine used and cancelled-to-order with postmark interest (3,500-plus), also 1980s-onwards first day covers (one box).                                                                                                      | 80  |
| 152 | 1970s-1980s used on and off paper, commemorative covers (some unused) and aerogramme stationery, with potential postmark interest (4,000-plus) in two boxes                                                                                                                                                                      | 120 |
| 153 | 1970s-onwards mail clippings (one kg) with a quantity of all-world used in mixed condition in 14 albums and stock books (one box).                                                                                                                                                                                               | 30  |
| 154 | Mainly decimal issues used (2,000) on 64 good condition Hagner stock sheets with pre-decimal letter rate values mint and used on another 13 Hagner stock sheets, decimal period first day covers (150) and two PNCs with a 1991-edition 'Pictorial Postmarks' catalogue (one box).                                               | 500 |
| 155 | 1980s-onwards letter rate values to 49c used on clipped paper (5.1 kgs) in one box.                                                                                                                                                                                                                                              | 40  |
| 156 | 1980s letter rate values to 60c used on closely-clipped paper (7 kgs) in one box.                                                                                                                                                                                                                                                | 60  |
| 157 | 1980s-onwards mostly letter rate values to 50c used on closely clipped paper (6 kgs) in one box.                                                                                                                                                                                                                                 | 60  |
| 158 | 1980s onwards used on paper up to \$1 (5kgs) in one box.                                                                                                                                                                                                                                                                         | 50  |
| 159 | 1990s and 2000s used on paper (13 kgs) and 1966-onwards to 50c used in seven stock books (two boxes).                                                                                                                                                                                                                            | 80  |
| 160 | 1992-2008 used on paper with strength in 45c and 50c denominations (10 kgs) in one box.                                                                                                                                                                                                                                          | 80  |
| 161 | 2000-2019 <b>international stamp denominations</b> on paper sorted by issue including self-adhesives, noted Bilby \$2.50 (8), Elaine Russell untitled \$1.40, Aust-NZ joint issue Buglar \$1.85 both sheet and self-adhesive, Shelley Beach jetty \$2.10 self-adhesive, Melbourne \$3 and Sydney \$3.30 (459 with 77 different). | 100 |
| 162 | Used off paper on 100 Hagner stock sheets (at least these might be useful) and albums (5,000-plus) in one box.                                                                                                                                                                                                                   | 40  |
| 163 | Used on and off paper accumulation (33,000-plus) with values to \$1 (10 kgs) in one box.                                                                                                                                                                                                                                         | 80  |
| 164 | Used on paper accumulation (45,000-plus) with values to \$1 (14 kgs) in two boxes.                                                                                                                                                                                                                                               | 80  |
| 165 | Used on and off paper accumulation (50,000-plus) with values to \$1 (17 kgs) in two boxes.                                                                                                                                                                                                                                       | 80  |
| 166 | Used on paper accumulation to 2019 (42,000-plus) with values to \$1.10 (13 kgs) in two boxes.                                                                                                                                                                                                                                    | 80  |
| 167 | Used on paper accumulation to 2019 (40,000-plus) with values to \$1.20 (12 kgs) in three boxes.                                                                                                                                                                                                                                  | 80  |
| 168 | Used on paper accumulation to 2020 (45,000-plus) with values to \$1.20 (14 kgs) in two boxes.                                                                                                                                                                                                                                    | 80  |
| 169 | Used on paper accumulation (36,000-plus) with values to \$1.20 (11 kgs) in two boxes.                                                                                                                                                                                                                                            | 80  |
| 170 | Later decimal period 30c to 45c values on paper (11 kgs) in two boxes.                                                                                                                                                                                                                                                           | 60  |
| 171 | Used off paper mostly letter rate values (4½ kgs) in one box.                                                                                                                                                                                                                                                                    | 60  |
| 172 | 1966-onwards with denominations to 43c used off paper with same stamp issue bundled together (5 kgs) in one box.                                                                                                                                                                                                                 | 60  |
| 173 | Lower letter rate values used off paper (4.4 kgs) in one box.                                                                                                                                                                                                                                                                    | 60  |
| 174 | Used on closely trimmed paper 1c to 49c values (10½ kgs) in one box.                                                                                                                                                                                                                                                             | 60  |
| 175 | Used on closely clipped paper to 49c value (11 kgs) in one box.                                                                                                                                                                                                                                                                  | 60  |
| 176 | Used on clipped paper to 49c value (7.65 kgs) in one box.                                                                                                                                                                                                                                                                        | 50  |
| 177 | Used on clipped paper to 49c value (4.5 kgs) in one box.                                                                                                                                                                                                                                                                         | 50  |
| 178 | Used on clipped paper to 49c value (10¼ kgs) in one box.                                                                                                                                                                                                                                                                         | 80  |
| 179 | Used on clipped paper to 49c value (3.55 kgs in one box).                                                                                                                                                                                                                                                                        | 40  |
| 180 | Used on clipped paper to 49c value (6.3 kgs) in one box.                                                                                                                                                                                                                                                                         | 60  |
