PHILAS COLLECTION.

OLYMPICS (Melbourne) 1956. C.Me.

This collection was donated by Mr. M M Fruchtmann. (64 pages)

The first page of this display shows an official invitation from the Lord Mayor, Councillors and Citizens of Melbourne to come to Melbourne for the Olympic Games, 22nd. November to 8th. December, 1956.

Australia issued a 2/- (blue) publicity stamp on 1-12-1954 which had a colour change (green) on 30-11-1955. Stamps and a F.D.C. is shown.

Then follows special Slogan cancellations that were used for varying periods in 1954 to 1956, then Vignettes, also issued to advertise the games.

Two postcards showing views of Melbourne and advertising the games are included.

A Qantas Olympic Torch Flight cover is included addressed to Mr. M.M. Fruchtmann, for the Flight that conveyed the Olympic Torch from Greece to Melbourne.

An official Swimming Programme, cost 1/- is followed by Admission tickets for Soccer: Main Stadium, Cricket ground; Velodrome admission; and the Swimming Olympic Stadium.

A photo of the un-issued 3½d stamp and the un-issued (cover) of the postage Stamp Booklet, is included, then a souvenir postcard with Australian Aboriginal motif followed by a FDC and stamps issued for the games.

These were a 4d. red; 7½d blue; 1/- multicolour; and 2/- multicoloured.

Maximum cards, Aerogrammes are followed by five special souvenir covers, (3 registered) postmarked at the temporary PO's; a private miniature sheet postmarked by special permission of the PMG.

Thirteen pages cover the 52 pictorial postmarks, then 3 photos of Gold and a Silver medal winners with their autographs.

The most interesting is the picture of, and autographs of the three gold medal winners, "Betty Cuthbert", "Marlene Mathews", and "Norman Fleming" for the 4x100 Mtr. Relay.

The display finishes with special "Runner" cancellations, Vignettes and covers with cancellations facing either right or left.

The material is mounted on pages with hand drawn coloured Olympic Rings.

18 The Sun, Friday, June 18, 1965

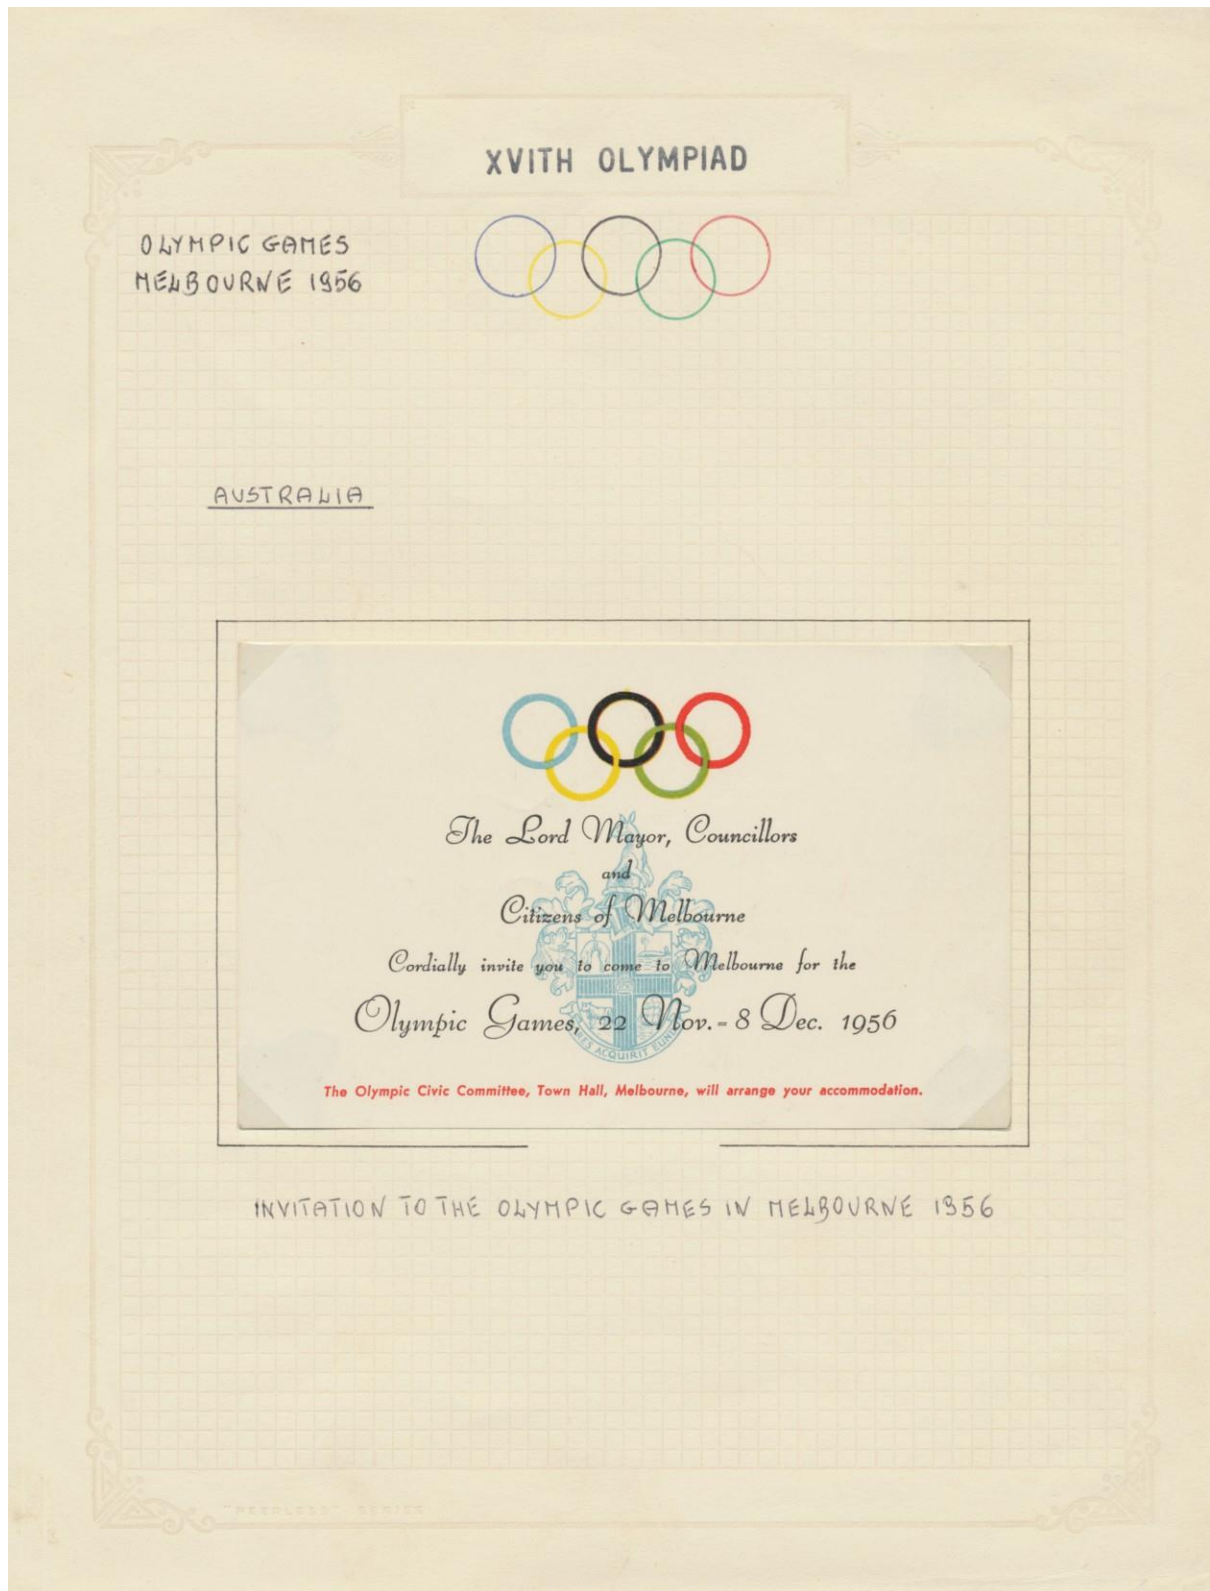

Sydney Games —£10m

Staging the Olympic Games in Sydney in 1972 could cost as much as £10 million, the Premier, Mr Askin, said today.

Mr Askin and the Lord Mayor, Ald. Jensen, will ask the Commonwealth to support Sydney's application to hold the Games.

Mr Askin said support for the Games would have to come from the Commonwealth and State Government as well as the Sydney City Council.

"It would be impossible to stage the Games without the support of both Governments," Mr Askin said.
