Specimen NSW Postal Notes

There are 6 Specimen Booklets with Post Note values from 1/- to 20/-

Three of the Booklets are in good condition and three booklets have significant water damage to the covers although the specimen notes appear to be still in good condition.

Scans have been done for the three booklets in good condition of all Postal Notes contained in them – giving three complete sets of scans of the Postal Notes

The Original Booklets containing the Specimen Postal Notes can be found in the Safe at Philas House
