## PHILAS SERVICES FOR CLUBS

Philas services are currently suspended during our re-organisation. When we re-open, we will resume making stamp collections available to clubs for display at meetings. A full list of the available collections is on our website.

We have begun the process of re-starting our popular public auctions. Auctions of bulk material were held in June and December 2024 and material for future auctions is being processed.

The Philas Library is a specialist philatelic library containing over 6000 books, journals and catalogues. It is currently closed during the Philas re-organisation. Much of the Library has been built up from donations and the many donors are warmly thanked for their contributions to the hobby. The PHILAS Library Inc now has Donated Gift Recipient status with the Australian Taxation Office and all donations over \$2 are tax deductible. The library will be re-opened to the public for research purposes. Most books will be available for borrowing, for up to one month, by members of affiliated societies. Country members can arrange to borrow items through their society secretary.

Please remember that PHILAS services are provided on a volunteer basis and respect the people trying to assist you.

## President's Views:

Hi all,

There is quite a lot going on in the wider philatelic community at the moment so I am sure you will all be finding opportunities to improve your philatelic holdings, maintain and develop friendships, strut your stuff by showing an exhibit and celebrate the wins.

The Northern Suburbs *Winters Day with Stamps* was again a well-attended success with trade and club dealers in attendance and a large number of auction lots available. It provided a good opportunity to sit down and talk to people about what's going on at Philas, but also just about what's happening in philately generally.

More recently I was an invited guest at the 80th Anniversary lunch held by the **Illawarra Philatelic Society** on 20 July. It was a well-attended function with good food, entertainment and conversation. Congratulations to President **David Payne** and his committee in resurrecting the club and growing its membership over the last few years, such that an 80th Anniversary won't be the last we hear of this club. Any club which has a 70+ age gap between its youngest and oldest member definitely is future proofing itself.

The **Special General Meeting** was held the following weekend (27 July), with 19 club delegates in attendance representing their club and/or voting proxies for other organisations. The audited financial records for the preceding financial year were approved and the completion of this year's accounts is already under way so that we don't have to confront the same timing issue again.

The move to being a **corporation** (The Philatelic Association of NSW Ltd was registered with ASIC on 16 May 2025) which I have already written about, was discussed, with the major issue of clarity seeming to be about how Philas being a company affected the Library. There are no plans to move the Library to a corporate footing and it will remain an incorporated society.

Finally, an update was provided on what was happening with the **premises** at Egerton Street. As I have noted previously, the Executive of Philas has made a decision to move to new premises. This will mean selling Egerton Street, but only at a time when we have identified and contracted to buy new premises.

The Executive are currently undertaking due diligence on a property which we think will provide a suitable home for our future. This involves an independent valuation; an independent building assessment (including structural quality); the legal assessment of the contract of sale and strata and

Bruce Chadderton

getting advice on zoning and planning requirements. All of this has or will be completed before any contract to purchase is signed.

Club delegates were provided with a briefing on the opportunities presented by the proposed new premises, with most expressing positive thoughts about it as a future venue for NSW philately. I will continue to keep you updated on progress in this area as anything meaningful occurs.

On the international scene, NSW philatelists are competing in **exhibitions** in Thailand and Korea in coming months. Attendance at these exhibitions, even if not exhibiting, can be quite beneficial as you get to see material that you may not be familiar with which can help you develop your own displays or exhibit. An exhibit in one exhibition I attended cured me of any desire to develop a GB Penny Red exhibit, as it showed me the range of material I didn't have but also provided some insights as to how I might display some of the material I did have, which was very useful for club nights.

You can also access material being sold by dealers that don't have a presence in Australia. I remember being part of a group of Australasian collectors at *Philakorea 2014* looking through a dealer's accumulation of the covers received by the South Korean Maritime School after WWII. This school was internationally quite popular at a time when South Korea wasn't well known, meaning we were looking at material going to a fairly obscure destination often from countries transitioning to independence in the 1950's and 1960's.

And finally, to answer the recurring question I keep getting asked – we are very close to confirming the final details of an auction towards the end of September. We experienced difficulty in finding a venue whose IT infrastructure would support online bidding but this issue seems now to have been resolved. I am sure the update later in this *News* will provide all the details you are looking for, so I mention this in passing. I will acknowledge the work of the volunteers who have gotten us to this point, some putting in very long hours to get things done.

On behalf of Philas I wish to extend our best wishes to all who are affected by or at risk from recent and current flooding events. Stay safe and hopefully we can all have a philatelically positive winter.

**Next Auction:**

The next auction will take place on Saturday 11 October.

Viewing of lots will be on Saturdays and Tuesdays from 20 September, with special evening viewings on Thursday and Friday 9 and 10 October before auction day to accommodate bidders coming to Sydney from out of town. See the back page of this *Philas News* for the list of viewing times. If insufficient staff offer to help to supervise for a particular day, then viewing cannot be offered on that day so please contact me to volunteer to help with viewing.

The venue will be the Newington Community Centre, corner of Avenue of Europe & Avenue of Asia. We are setting up our own internet access for online bidders. The venue is 850 metres from the Philas building at 20 Egerton Street – 2 minutes to drive or 12 minutes to walk.

The auction catalogue has been printed and mailed out and is being posted on the website. It is divided into two sections: better grade items offered in the room and online are listed in Part 1; generally less expensive items that are offered via absentee bidding only are listed in Part 2. Accompanying the print catalogue is a separate booklet containing images of lots 1 to 1000 from Part 1 offered in the room and online. The complete folder of images will be posted to our website [philas.org.au](http://philas.org.au). With 2,299 lots and estimates totalling more than \$522,000, this is the most ambitious auction undertaken by PHILAS.

The lots offered include:

- an extensive assembly of the Australia Kangaroo and Map issue and KGV definitives with many inverted and sideways watermarks, colour shade variations, punctured and overprinted 'OS' issues and listed plate flaws
- outstanding selections of booklets, postage dues and rare decimal varieties
- 1914 6d engraved Kookaburra plate number blocks
- 1928 3d Kookaburra miniature pane in complete sheets with Exhibition cancellations in green, red/green and red; and a first day cover cancelled in red
- the very rare 1931 3d blue Kingsford Smith Flights overprinted 'OS' with 'plane dropping mailbag'
- 30-plus copies of the ubiquitous 5/- Harbour Bridge (our Auction Manager reckons all 72,500 have survived) in varying degrees of condition within a price range that is affordable to every collector
- 1940s-1960s positional pieces with listed plate errors;
- comprehensive collections of the numbered and datestamp cancellations of New South Wales
- an extensive offering from Britain including many rarities
- the remaining 47 lots from the Ron Flowers bequest from Auction #141 comprising British Commonwealth
- 1902-1930s covers from Ascension franked with British and local adhesives;
- 1950s-1970s China with many rarities
- 1830-1890s covers from the Colony of Canada
- early postal history from Denmark including a letter written by King Christian VII in 1792
- a fine collection of Malta;
- a varied assembly of less expensive items from all over the world, local issues, thematics and cinderellas
- our usual boxed/bulk material for the dedicated fossicker.

Similarly to Auctions #141 and #142, this auction will be offered 'live' on line, this time through a firm named 'Auction Mobility'. Bids for Lots 1 to 1000 may be made from your home as the auction proceeds.

## Market-day Theft in Canberra

A stallholder at the April Canberra Stamp Market Day had an unfortunate experience in finding at the end of day's stocktake several missing items. On checking his stock, it was found that a number of high value GB and NZ stamps were missing. The dealer at this stage does not wish to be identified. The value of the stock stolen was of significant value.

A person of interest was noticed whose behaviour seemed to indicate they were the culprit.

Modus operandi:

- Targeting high value GB and NZ stamps
- Spending a lot of time at the stall – hours
- Looking through all the albums
- Purchasing at the end of the stay a range of lower value items and choosing the time and person from whom to make the purchase
- Not showing the items he had extracted from the albums and was purchasing
- Prior to the market day there had been a lot of web traffic and views of the specific items that were stolen on the day.

We are letting fellow dealers and collectors know this so that no one else has this unfortunate experience.

Regards,

Christopher Smith

President, Philatelic Society of Canberra

## Celebrating Eight Decades: The Illawarra Philatelic Society's 80th Anniversary

Eighty years is a significant milestone in any organisation's journey, and for the members and friends of the Illawarra Philatelic Society, the recent 80th anniversary celebration, their Oak Jubilee, was not merely a mark of longevity, but a vibrant testament to their enduring passion for philately.

The anniversary event, held on 20th July, exactly 80 years since its inception, was the culmination of months of careful planning, led by committee members determined to honour both past achievements and the vibrant, evolving community of today. Invitations were extended not only to current society members and their families but to Philas, Shoalhaven and Campbelltown societies and also Australia Post managers from both Wollongong & Kiama. The guest list, a testament to the society's reach, saw a heartening turnout.

The celebrations, held at Dapto Leagues Club, gathered long-standing members, new enthusiasts, and supporters alike, transforming a simple afternoon into a memorable gathering filled with stories, laughter, and ..... did anyone mention – stamps!

Guests arrived, greeted by the Society's President and committee members and also "Thomas" (venue manager in training) – who to everyone's surprise was indeed our special guest performer **Scott Radburn**, former member of the *Four Kinsmen* who later entertained us with both his singing and humour which was greatly appreciated by all those in attendance.

**David Payne**, President, officially welcomed all those present in his speech which reflected on the Society's humble origins, paid tribute to founding members, and celebrated the spirit of community that has kept the Society thriving. He emphasised the importance of adaptation — embracing new technologies and means of connection, while holding fast to the traditions that have sustained us for eight decades. The hope is that, as younger generations discover the joys of stamps and postal

history, the Illawarra Philatelic Society will continue to be both a guardian of the past and a beacon for the future.

The youngest member of our club, 11-year-old **Joseph Knowles**, also delivered a short speech outlining his interests and thanking all members for their kindness and assistance in helping him to develop his knowledge of philately.

A sumptuous luncheon was served. Tables were adorned with keepsakes for each attendee, a tangible reminder of both the Society's rich legacy and its commitment to the future.

A booklet showcasing pictures of the Society over the years, a first day commemorative cover adorned with the latest Australia Post Opals issue, kindly cancelled on the day by Wollongong Australia Post manager with the pictorial postmark, also a mug portraying the IPS logo and the Society's 80th Anniversary picture as used on the FDC's.

During the afternoon, we were treated to a short film presentation compiled by **Frank Sanvitale** which again touched on the history of the club and its progression and adaption to change over the past 80 years. Highlighting activities involving the IPS such as supporting charities, displays of commemorative covers issued for significant events throughout the years, and noting members' other interests and hobbies beyond stamp collecting. Recognising all past members who are no longer with us and finally, introducing our newest honorary member, club mascot 'Foxy' the Fox terrier, all tinged with a hint of humour and appropriate sound track. What a fantastic presentation!

**Joe White**, recently retired committee member, was also presented with a small gift (portrait of Foxy) to acknowledge his service to the society and long-serving member **Jim Feltham** was awarded Life Member status.

**Noel Kennon**, our oldest member and former President, later proposed a toast to the next eighty years, but before doing so enlightened all those

present with a comprehensive history of our Society. From the humble beginnings of a few co-workers with a common interest in stamps led by **Harry Lockrey**, our first president, along with several other significant committee members across the years to our current President, **David Payne**. Much to everyone's surprise, including Dave, he revealed that David had served as president of the IPS for 27 years and vice-president an additional 9 years. Noel presented David with a plaque acknowledging this achievement, and in Noel's words "one that would not be exceeded for some considerable time".

All members present reflected on the knowledge gained from this speech and were very grateful to Noel for sharing this history. Everyone on the day came away better informed than when they first entered the room.

A small competition was also conducted – 'Guess the number of stamps'. It is appropriate that the

prize offered today is the same as that donated 80years ago - 10/6d. Today's winner **Frank Sanvitale** was presented with the princely sum of \$1.05c. plus the sheet of stamps!!

The 80th anniversary celebration of the Illawarra Philatelic Society was more than an event — it was a living chronicle of shared passions and enduring friendships. It demonstrated not only the power of a common interest to bring people together, but also the ability of such a community to adapt, thrive, and inspire across generations.

As guests filed out, clutching their commemorative covers and basking in the afterglow of good company, one thing was clear: the Society's greatest treasure is not found only in rare stamps, but in the bonds forged and memories made together through the love of philately. Here's to many more years of collecting, connecting, and celebrating all that stamps can represent.

## A Winter's Day with Stamps 19 July 2025

In its 75th anniversary year the Northern Suburbs P.S. again held the *Winter's Day With Stamps* at the St. Leonards Church Hall in Naremburn on July 19th. Attendees were treated to six different club and four dealers' tables and with auction lots from over 30 vendors. Refreshments were available, along with a raffle for 3 different prizes including a 3d "Kookaburra" mini sheet and hourly door ticket prizes. The auction was ably conducted by John Higgs and Ed Wolf with their team raising a turnover of more than \$3400. Whilst there was no

single expensive item, there was an ample supply of bulk and album lots drawing plenty of bids. Other proceeds, including from the 19th personalised stamp issue, covered the hall expense (some still available from the Secretary at 0409 197354 at \$3). The club then thanks all those who helped setting up and clearing and running the occasion, the attending tableholders and of course the attendees, for making this such a pleasurable and successful stamp day.

Paul Storm, Secretary

The event drew a good crowd as usual (above).  
The auction was the the major drawcard (below) – this photo by Antony Shen.

The Sydney Anglicans had their usual wide variety of material.

The odd couple – Patrick Gunning & Robert Layzell.

Wilson Ilbery's sales technique of ignoring his customers was very successful.

Ken Pullen and Bruce Chadderton discussed the state of the world.

## News from Orange

The Orange Coin & Stamp Club celebrates its **60th year** in 2025. The inaugural meeting was held at Allcorn's Star Ballroom on 29th July 1965. At that time, with the imminent changeover to Decimal currency in February 1966, more people were interested in coins than stamps. Some of the members' wives, however, were stamp collectors, so it was agreed that they could participate. The new Club was called the Orange & District Coin & Stamp Club. After the Decimal change-over interest in coins dropped and the Club reached a balance between stamp and coin collectors. That's the way it is now.

The Club held its 2-day **Orange Coin & Stamp Expo** on the 15th & 16th March 2025 at the Orange High School Hall. There were 300+ non-member visitors from Orange and from around the Western region. Of the visitors asked, about 40% said they saw it on our paid Facebook ads and on free Facebook sites. Another 40% saw the ad on Prime/7 TV. The rest heard about it on ABC Radio, received direct e-mails or saw the ad in the 'free' Orange City Life newspaper.

Orange Expo is the **competitive display** for the Club. There were 17 displays laid out in the middle of the Hall. Tony Read won the new Col & Eileen Davidson Shield for best philatelic display for his Stamp Forgeries of the Australian Colonies.

The Club continues with its **monthly mini-fair** held on the 1st Saturday of each month (from 9-12) in the Orange Cultural Centre. It's always a great interface with the community – many of whom just want to know what their stamps or coins are worth. It's also been the source of most of our new members.

The Orange Club will be holding its **annual auction** on Saturday 6th September 2025, starting at midday, straight after the mini-fair. Last year there were 300 lots on offer.

## News from Toronto

Toronto Stamp Club has launched a new annual trophy to be presented for best display for the club year. Named the *Warren J. Oliver Perpetual Trophy*, it honours the club's long-time former President, who passed away on 9 September 2024, aged 87.

Warren's children Anthony Oliver and Samantha [Sam] Sherriff were invited guests of Toronto Stamp Club at its monthly meeting on 7 May 2025, and presented the new trophy at that meeting. They spoke about Warren's wonderful collection of classical Australian colonial stamps and covers, and the pleasure it gave him.

The new trophy succeeds Toronto Stamp Club's previous annual trophy, the *John D. Huntley Perpetual Trophy*, which reached its final presentation in 2024 when all its 21 plaque positions were filled. For the record, recipients of that trophy for best display of the year were:

- Warren Oliver (2003-04, 2004-05, 2007-08, 2009-10)
- John Pugsley (2005-06)
- John Moore (2006-07, 2008-09, 2010-11, 2014-15, 2017-18, 2020-21)
- John Lavender (2011-12)
- Roger Eggleton (2012-13, 2013-14, 2015-16, 2016-17, 2019-20)

**Anthony Oliver and Sam Sherriff** present the Warren J. Oliver Perpetual Trophy to the first recipient, **Roger Eggleton**.

- Don Catterall (2018-19)
- Ed Burnard (2021-22)
- Howard Fisher (2022-23)
- Ross Zimmerman (2023-24)

The new Warren J. Oliver Perpetual Trophy will serve Toronto Stamp Club for many years to come, reminding members of Warren's decades of service to the club.

## News from Wagga Wagga

At the meeting held on the 2nd July we had three of our Life Members present, Bob Edyvean, Gary Croker and Peter Simpfordorfer.

At this meeting, Gary gave a very interesting presentation on *Australian Telegrams* – early history through to the 1980's. Gary also discussed how he obtained some of the extremely rare types.

Some of the attempted innovations, pictorials and commemorative telegrams were passed around. Of particular interest were the seals used on telegrams, a type of cinderella. After much investigation, Gary was unsure if some colour varieties, other than red, were genuine and if they are, then they are unique.

## SYDNEY YOUTH STAMP GROUP

On Thursday 10th July 2025, the Sydney Youth Stamp Group hosted 22 children and teenagers at Chatswood Library for two hours. We covered the topic of National Flags on Stamps and the participants were busy soaking, sorting, arranging, mounting stamps, writing postcards and learning about thematic collecting. The workshop ended with an exciting turn based game of 'Concentration' where the children had to use their memory to match a country name to the nation's flag depicted on a stamp.

Due to generous donors, we were able to give each attendee an empty album, a starter lot of used stamps, several FDCs and PSEs.

As we continue to build numbers, SYSG plans to hold two sessions over the period of the day next school holidays in October with the aim of educating over 40 children about Philately. Additional volunteers holding a current WWCC are

most welcome to join our workshops!

If any societies wish to run similar Library based and supported Youth workshops, feel free to contact us for ideas on activities, worksheets and games.

Many thanks to the volunteers (**Paul Storm**, **Michael Gortley** and **Jane Wallace**) who assisted in making the day a huge success and to **Lee Abrahart** of Chatswood Library for her continued support.
