PHILAS STAMP AUCTIONS

CONDITIONS OF SALE

The placing of a bid shall constitute acceptance of all the following conditions –

1. All lots have an estimate which is an expression of the opinion of the market value of the lot, and is merely a guide. Bidders may bid above or below the estimate, but bids below 80% of the estimate may not be processed.

2. Bulk lots, collections or accumulations must be taken with all faults and errors (if any) and are not returnable under any circumstances. Any lot containing more than 10 items (excepting sets of stamps) is always offered "as is" and cannot be returned for any reason. Where photographs are presented as evidence of stamps being missing or removed from lots, these photographs must be taken during viewing with a Philas Representative present and with the time and date of the photograph recorded. A copy of any such photograph taken must be provided to Philas immediately after it is taken for record purposes. Any claim for for stamps missing or removed from a lot will not be considered unless the above procedure is followed.

3. No lot can be rejected if the buyer or his agent has inspected the lot prior to auction, irrespective of whether or not any item/s within the lot has been through inadvertence incorrectly described.

4. Viewing of lots is by personal inspection at the times stated on the cover of the catalogue. We regret that lots cannot be sent out for viewing prior to the auction. However, photocopies may be available for SINGLE items (not collections) at 20c per photocopy plus postage. Philas accepts Mint Australian stamps in payment of photocopier charges.

5. Please assist by bidding in A$ in the following steps:
$2 up to $40; $5 from $40-$100; $10 from $100-$200; $20 from $200-$500; $50 over $500; $100 over $1000. Bids "out of step" may be rounded off. Section 2 (if any) is a Postal Bid Sale Only. Bids below 80% of estimate may not be accepted.

6. Bids may be made in person, or submitted by post, fax, phone or e-mail. Telephone bids must be confirmed in writing. Postal Bids received after noon on the day prior to Auction Day are unlikely to be processed.

7. All lots are sold to the highest bidder at one advance over the second highest bid, subject to any reserve price. The Auctioneer has absolute discretion to settle any dispute.

8. The Auctioneer reserves the right to refuse any bid. "Buy" bids will not be accepted. "Limit" or "Or" bids can be made for you in the room by our agent. "Or" bids may only be accepted for lots close to each other. While every care is taken in executing bids, the Auctioneer cannot be held responsible for any errors or omissions. PLEASE CHECK YOUR BIDS CAREFULLY.

9. Any lot purchased is at the risk of the Buyer at the fall of the hammer, but title passes only when payment in full is received by the Auctioneer. Room buyers should pay for and collect their purchases on auction day. Postal buyers must pay for their purchases including all postage, packing, insurance costs, and buyer's premium immediately upon receipt of Philas' invoice. Where you employ an agent to bid on your behalf, such agent will become liable for all purchases whether the purchaser is known or unknown to Philas. Accounts unpaid after 30 days may incur an interest charge on the outstanding amount.

10. A Buyers Premium of 10% will be added to all invoices. Members are not liable for the Goods and Services Tax.

11. Invoices including postage and packing charges will be forwarded to successful postal bidders (who wish material to be posted) within three days of the auction. Postage will be by Registered Mail or 'Signature on Delivery' Mail, plus Insurance. Payment in full is due IMMEDIATELY on receipt of the invoice.

12. Postal bidders intending to collect lots should enquire by telephone whether or not they have been successful, and arrange a time for collection. This can generally be arranged in the week following the auction – Sunday after 1.00pm; Monday, Tuesday and Saturday 10.00am to 3.30pm; and thereafter on Tuesdays and Saturdays. Please advise on the bid form whether lots are to be collected or posted.

13. Lots not paid for within 30 days of the auction may be subject to forfeit and placed in a succeeding auction with any deficit being the responsibility of the original purchaser.

14. Postal bidders, who have not seen the lots they are buying, may reject any lot (with the exception of bulk lots, collections or accumulations) where the description is not in accordance with that given in the catalogue. However, any such lots are only returnable within forty-eight (48) hours of receipt, and in the condition received. No lot will be rejected if, subsequent to the auction it has been immersed in water or treated by any other process whatsoever unless Philas' express permission for such treatment has first been obtained in writing. Generally lots that have been inspected prior to the auction are not returnable.

15. Expert Opinions: Extensions for certificates will be granted only where an application in writing has been received by the Auctioneer at least twenty-four (24) hours prior to the auction. Payment for any purchase on extension must be made in full in accordance with Clause 9 above. The onus shall be on the Buyer to obtain such certificate and bear all costs unless the item is proven to be not genuine, in which case all costs will be refunded to the Buyer. Compensation is limited to $A25.

16. Governing Law: These Conditions shall be governed by and construed in accordance with the laws of the State of New South Wales.

NOTE: Bidders receive catalogues free within Australia. However, if no bid is received for three (3) consecutive auctions, mailings may be terminated.

Telephone bids will be accepted on (02) 9264 8301 or (02) 9264 8406 Answer-phone, to be confirmed in writing. Bids can be sent by E-mail auction@philas.org.au

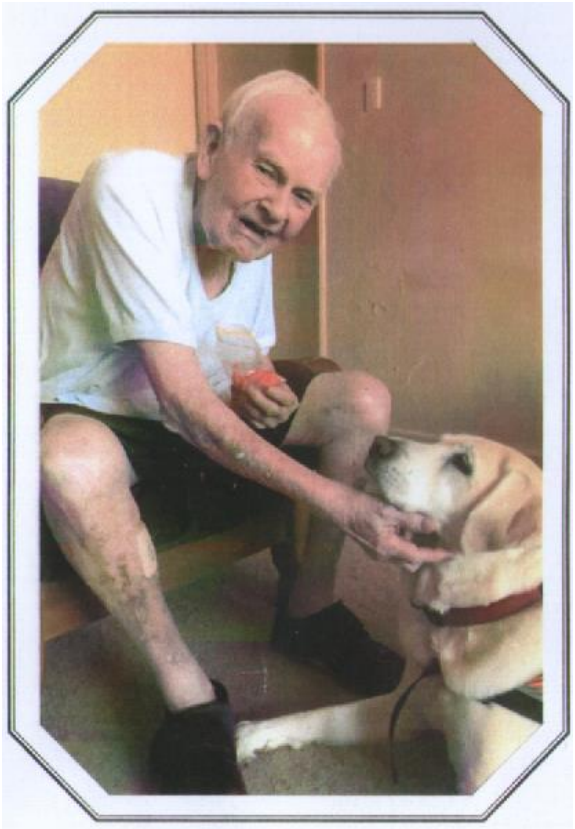
It features material from the fine collections of Canada, Cyprus, Falkland Islands, Gibraltar, Hong Kong, Malaya, Malta, New Guinea, New Zealand, Rhodesia, St. Helena, St. Kitts-Nevis, Sierra Leone and British post offices in China formed by the late **Ronald James Flowers (1935-2021),** whose generous bequest to PHILAS of that material is acknowledged with appreciation on behalf of all collectors and clubs in New South Wales.



Ron started collecting aged 10 years, when an uncle returned from the war and presented him with an album and postage stamps. During the 1960s-1980s, Ron served in the navy, and took up collecting again when he left, eventually forming fine collections of 14 countries. He argued strongly that one could not beat the traditional designs and printing methods of the stamps of the Victorian, Edwardian and Georgian eras.

Ron was the President of the Philatelic Society of Australia from 2006 to 2008, and worked for 15 years in the library at PHILAS.

From the Australian colonies are the NSW 2d Centenary postal forgery, of which only 52 copies are recorded, and a fine die proof of the Victoria 1901 £1 KEVII portrait.

A highlight is a fine selection from the Australian Commonwealth's first issue, including a misplaced Kangaroo variety, unrecorded on the £1 value. Postage Dues include the 1902 set overprinted 'SPECIMEN' for the U.P.U. and the rare 1902 Wmk Crown/NSW 10/- dull green on chalk-surfaced paper with single line perforation 11. From the 1970s are a few rarely seen errors including omitted colours, including the $1 Sergeant of Light Horse in a left marginal horizontal strip (5) with the second and third units showing error black colour omitted.

From the Australian occupation of New Guinea are the rare 'G.R.I.' surcharge 3s on 3 marks violet-black Yacht and the equally rare 1915 single inverted watermark ½d green KGV with the NWPI overprint in Type 9.

Most notably, the auction features comprehensive whole-of-era collections and omnibus collections from the British Commonwealth, especially from the KGV, KGVI and QE2 years. They include the key complete sets from those eras. Notable are the Cyprus 1928 Wmk. Mult. Script CA £5 black on yellow paper KGV; Falklands Islands 1933 Wmk. Mult. Script CA Centenary of British Administration, the key pictorial Commonwealth set of which only 2,711 sets were printed, and separately the rare 5/- black & yellow-orange King Penguin; and a wide selection of early Hong Kong, notably the 1912-1921 Wmk. Crown CA KGV set with the $5 value on both green and white papers and a comprehensive offering of the early postal fiscals including the very rare 1874 Wmk. Crown/CC $10 value in perforation 15½ x 15. The Malta 1861-1880 ½d yellow shades are well-represented. The rare British South Africa Company 1901 Waterlow printing of the £5 deep blue Coat of Arms is present.

This auction also has attracted vendors with material from outside the Commonwealth. From China are the 1871 Great Northern Telegraph Company Oerstedt plate proofs bearing the 'Serie F' serial number handstamp, of which only two sheets of 25 proofs of each value were printed, and of which only one sheet of the 25c was handstamped with the serial number. With them are the issued stamps, all marginal copies imperforate at right with selvedge, in perforation 11½ and all with the 'Serie F' handstamp. These were printed by Waterlow for use on the company's east Asian telegraph network between Hong Kong – Amoy – Shanghai - Nagasaki. Only one sheet of 25 stamps of each value is recorded.

From the French Somali Coast is the 1938 10 francs light blue & turquoise with the striking error centre vignette (Djibouti township) omitted.

Also included is the comprehensive collection of Hungary errors and plate varieties formed by PHILAS stalwart Graeme Morrison. Highlights are the 1913 Turul 50 filler lake on blue paper in a half-sheet with position 13 showing the striking error value '35' for '50' and the 1924 Harvester definitive issue 600k bistre in a positional block with position 12 showing the error '800' for '600' in the right value tablet. The 1950 Childrens Day 60 filler from the first issue inscribed ''UTANPOTLASUNK A JOVO HARCAIHOZ', from the only sheet reportedly mistakenly released, is another highlight. The inscription cheekily and hilariously translates as 'Replacements for future wars', referring to the children the subject of the issue. One can only wonder at the fate of the printing works and/or postal employees responsible for the original design and the unauthorised release of one sheet.

Finally we offer a selection of Boer prisoner-of-war and commercial mail from the 1899-1902 Second South African War years.
